Drew,

Have you looked at Nick's PowerPoint here?

He's doing a lot a fantastic work here. I think we need to do everything we can to tap into this thinking.

Let's talk about this sometime when you get a chance. I'd like to get him to present this to the ORD PFAS folks sometime soon.

Thank you,

Andy

Enforcement Sensitive – Deliberative – Do not distribute

Hi Everyone,

Thanks again for the great discussion earlier. I've attached the zip file (renamed .piz) that is the data and FOIA response letter to PEER. Second, is the draft OECD document that suggests a modification to the definition of PFAS. There is also a CompTox list on the dashboard for these OECD compounds.

Will keep you posted with future development.

Nick
